

\$ROCKO

THE BITROCK DOG

WHITEPAPER

THE ORIGIN:

RockoCoin is a dog memecoin built on the Bitrock network, Originating from a early investor in Bitrock, the creator of Rocko fell in love with the network, ecosystem, and community, driving the creation of Rocko to express love for both dogs and Bitrock. Rocko aims to be 100% community-driven and to become the leading dog memecoin, setting the standard for future memecoins on the Bitrock platform.
